Dear Dr. Allen:

I got home just fine, got in here about 7:00 yesterday evening. The folks are all just fine and am planning on a big Christmas here at home.

My father feels that he needs me for a few days after Christmas and I thought I best write you now. We are going to Western Kansas and I think it best that I accompany him as he will be on the road quite a bit. I will be back to practice Wed.

I know you will understand Doctor, I feel that if he asks me he really does need me.

I hope you and a merry, merry Christmas.

Sincerely  
"Hub" Ulrich
