Mr. Hubert Ulrich,
1351 S. St. Francis,
Wichita, Kansas.

Dear Hub:

You bet, it will be all right for you to come back on Wednesday. I think when a father asks his son to do a small chore the son should do it, by all means. And the companionship of father and son on this trip will be worth a lot to you.

So, while we would like to have you here with us for practice, we want you to be with your dad on this trip.

I'll see you before the New Year. Thank you, Hub, for writing me.

Very sincerely yours,

FCA:AH
