Dear Gib:

I am sending you the Kiplinger Newsletter for your perusal.

Last night at a dinner we discussed some of the war situations with Dean Swarthout and Raymond Nichols. I told them about the Kiplinger Letters and that I was sending them to you. So I will appreciate it if you will pass this on to Dean Swarthout, and he then will pass it on to Raymond Nichols. And then Raymond can return it to me after he has read it.

There are some things in this week's Letter that were discussed in our conversation and I want them to have the value of its contents.

Thank you.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
