Mrs. Vernadine Uhrlaub
1029 E. 17th Avenue, Apt. #6
Denver, Colorado

Dear Mrs. Uhrlaub:

I have your letter of the 4th instant and I am sorry that you could not get to Salina at the time you planned.

I am sure with my friends in Denver that I can help you and if you need me to help on Dene or any other children you tell me what you want and I will take it up with my good friends in Denver.

I have a number of friends there, such as Alston McCarthy of the McCarthy-Sherman Ford Dealers; Willard M. Grieme, Head of the Recreation Department, Denver Public Schools, and several others that we can call on if needs be. Really, I do not know what they could find for you to do, but sometimes a good friend will do a thing for a fellow when he is in another city.

You seem to be having more than your share of tough luck. I am sorry that the damp weather incapacitated Jimmy. Will you not write me and let me know what progress you have made, if any? I will then write the letters that I think may be helpful to you.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
