In Chap V. he thinks that basket ball is probably losing out.

To show the growth of tennis he cites an attendance in Madison Square Gardens of 17.000 to see Tilden Cochet and others, Once they had eseen them play the curiosity was satisfied.

15,000 paid admissions and the doors were closed and hundreds tured away.

In 255 Colleges The number taking part in intramural \$55.555 in the different sports.
