

fastest, <sup>growing</sup> sports in <sup>2</sup> America today;

1 ~~Indoor Base ball~~

2 Ping Pong

3 Basket Ball -

4 Badminton -

5 Soccer -

6 Squash -

7 Archery -

They further state that badminton is growing rapidly but is a very small industry in comparison with other sports, <sup>and that</sup> that soccer and squash are just about holding their own. They have hauled archery equipment for years but believe that ~~archery~~ <sup>archery</sup> has had its peak.

I have just finished a definite check-up with Dr. James Waismith who originated the game of basket ball in 1891, as to the nations, <sup>now</sup> playing ~~the~~ basket ball. He lists 46 nations, namely, see list & correct spelling
