Rackets & Squash Rackets

Badminton

Trepshooting
has 5 million
followers - You
still continue to
be reckless in
your young
editorial life.

These games, played now thruout the
college world as well, have been adapted by
business mens clubs etc - That is a laugh.
What if the new Whitney Lynn & Gale has 30 courts
more than there were over the entire country
at the time when the Jones thought of squash as
a vegetable - For every squash court there are over
1000 basket ball courts.

Then permit me
to say that B.B. has
10,000,000 followers.

Bowling

More people bowl than engage in
any other form of athletics.

On Horse Shows

7,000,000 participate
actively in this sport.

7000000

Lay it out to the manufacturer
same scheme the superintendent
of a school system uses when he
says the school board hires him.

Fastest growing ball game
is soft ball - a game officially
less than one yr old.

19 hall rooms.
300 in gym classes.

You are the laugh

You state "Last Feb 17,000 persons
you scoffed at over 16,000
attendance when more college teams
played in the Garden

The King of Tennis ^{Tilden}

Do you think B.B. paid the
Garden a dividend -
when Irish arranged these
empty dates as a mere
filler for Col. Fitzpatrick
Jno T. Doyle that enough of
it to write me a special
letter on it -

Hockey - People enjoy
watching hockey
game like hockey but only
the young and athletes are
fast enough to play it.
