Dr. F. C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

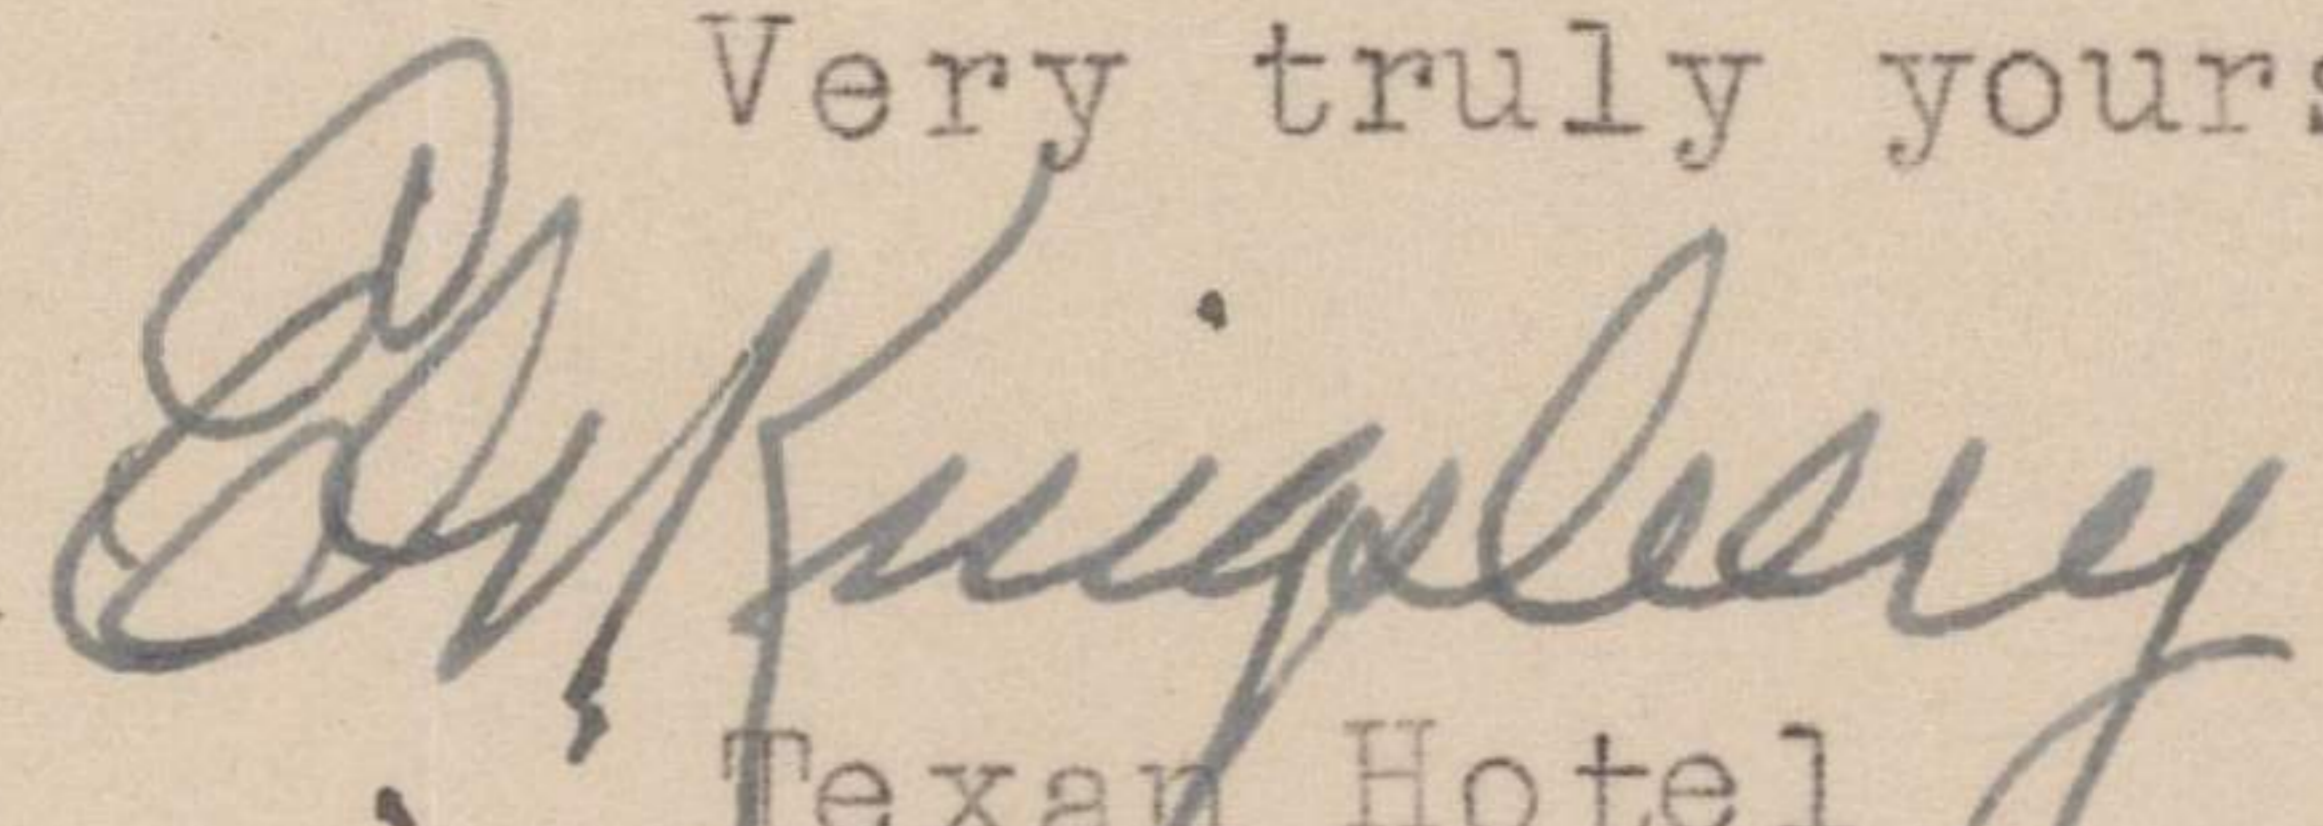

Your name has been given to us as one who will serve on the faculty of the University of Texas Summer School, and we are writing to ask you to stop with us while in Austin if you are going to live at a hotel.

We are located in the heart of Austin, convenient to theatres, stores, restaurants, post-office, etc., and only twelve blocks from the University Campus. Our hotel has a hundred comfortable rooms and what we lack in size we endeavour to make up in personal service. It has been our pleasure to have some members of the University faculty live with us as long as six years at a time.

Our summer rates to faculty members and persons attending summer school are most attractive. Of course it would be necessary for you to see the different type rooms we have in order that we might quote rates to you intelligently.

Trusting that we may have the pleasure of serving you in the near future, we are

Very truly yours
