Dear Dr. Allen:

I was informed by the Dean of Education that you would teach the second term in the University Summer School.

Are you located for the summer? I have nicely furnished southeast rooms two blocks from the campus. My rooms are cool, comfortable, and well kept. I furnish hot and cold water, lights, and maid service.

The rooms are \$20.⁰⁰ per mo. per room. Good meals, well served, may be had on and near the campus.

I have only couples and instructors in the summer.

I am a teacher in the Austin City Schools, having taught here a number of years.

Kindly let me know if you are not yet located.

Sincerely,
Eva Brown
