Dear June:

Thank you for your letter of the 13th instant. You certainly have been a charm in going to a lot of trouble endeavoring to wangle the manufacturers in fixing the uniforms as your artistic sense dictates. We appreciate it very much.

It was nice of you to write Professor Russell again. He is a fine fellow and a great engineer, and any information that you pass on to him will be handled expertly.

With continued good wishes, I am

Sincerely yours,
