Mr. Joe Arnold,
Westmoreland, Kansas.

Dear Joe:

Your good friend and mine, Mr. E. C. Brookens, is very interested in your attending the University of Kansas. I have written him at length and I suggest that you see him and have a talk with him regarding the University. He doubtless will show you the letter that I wrote him. Ask him to do so.

I assure you that we are much interested in your attending the University and we will do everything in our power to help you attain that goal. We will be mighty happy to have you here.

Some time before school is out I hope to be through Westmoreland and I will stop to see my old time friend, Mr. Brookens, and I will arrange an opportunity to see you and your family.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
