Mr. E. A. Thomas
Commissioner of Athletics
National Reserve Building
Topeka, Kansas

Dear Tommy:

Captain John A. Pfitsch just returned from Germany with Patton's Army and is expecting to be associated with us here at the University of Kansas this year.

The last year he was here, 1941, he registered for both football and basketball and send you \$2.00. I am sure his efficiency as an official was very high in both sports and if you find it thus please accept the \$2.00 which he gave me to enclose for necessary registration for these sports.

Very cordially yours,

Director of Physical Education
