### Veterans Seek Contributions to Furnish Hall

The local Legionnaires have rented  
club rooms in the Underwood build-  
ing, over Blue-Berry Appliances Co.  
store, and are fitting it up for enter-  
taining their members and friends.

Nothing elaborate is planned but a  
good, homey place where all men who  
ever served under the United States  
Flag are welcome. Of course Park-  
ville Post No. 318, The American Le-  
gion, is sponsoring the move but all  
veterans will be welcome.

Elmer Renner is Commander of the  
local organization this year with R.  
Steinacker as Adjutant. Leonard No-  
land and J. V. Cushing are Vice Com-  
manders, with Geo. B. Fewson as sec-  
retary. A recent Carnival was put  
on at a financial profit and other ev-  
ents are coming up. So if you are  
entitled to membership, come right  
up and meet your friends.

Some furnishings are needed to be  
comfortable in the new home and the  
veterans are asking you to contribute  
used furniture or a small cash dona-  
tion will be mighty acceptable as a

### According to James—

—Chapter 24, Book IV—

Christmas is nearing rapidly.

—Platte County Gazette—

We are safe in boasting about the  
brand of weather we have enjoyed in  
this section the past two months.

—Platte County Gazette—

We think the city water mains on  
West Street should be extended so as  
to afford Bannaker School water fa-  
cilities.

—Platte Co. Gazette—

A local man believes the early date  
for Thanksgiving this year gives time  
to eat the left-overs before Christmas  
arrives.

—Platte County Gazette—

Do you ever notice Parkville on a  
cold morning? Looks like a valley of  
a thousand smokes—usually from es-  
caping steam.

—Platte County Gazette—

Perhaps if the globe on the street  
light at First and Main was washed  
occasionally, the town would have a  
brighter appearance.

—Platte County Gazette—

The unsightly city dump grounds'  
at the far edge of the ball field was  
covered over Tuesday morning with  
a maintainer handled by an experi-  
enced operator who really knew his  
stuff.

—Platte County Gazette—

If you have an idle chair, table or  
cot, discarded bookcase or writing  
desk, you will confer a big favor on  
members of the local Legion Post by  
lending it to help furnish their hall  
which they have recently rented. Con-  
tact this editor or any Legionnaire.

—Platte County Gazette—

Just lots of us are pondering the  
national labor unrest. The dailies  
are jammed with strikes and rumors  
of yet more dissensions. As usual  
John Q. Public gets it in the neck or  
some other spot where it hurts just  
the same.

—Platte County Gazette—

Throughout the long and wearying  
days of the most devastating war in  
history, much was said in regard to  
post-war planning. But already it ap-  
pears that a large part of our post-  
war scheming was post-war dreaming.  
The post-war era is here and with it  
comes the grim realization that if vic-  
tory is to become a reality for the  
common man, every patriotic citizen  
must be rededicated to a program of  
progress based on self-reliance. Our  
immediate future will require per-  
formance rather than proclamation.

number of articles will probably have  
to be purchased.

So if you are backing local patriot-  
ism looking to the comfort and con-  
venience of returning World War II  
veterans please contact Legionnaires  
Renner, Steinacker, Cushing, Tibbetts,  
Hawley or any member you see wear-  
ing a Legion emblem.
