Dear Phog:

I have yours of the 22d and the Wyeth Hardware Company of St. Joseph, Missouri, have been trying to unload war type supporters at \$1.80 per dozen. We have not been buying any of these at any price as the boys, of course, would rather pay more money for elastic type supporters.

Suggest, however, that you send the supporters down and we can undoubtedly work them out for you reasonably soon and will get all that we can for them. We worked out our own stock at the opening of school last fall before elastic supporters became available.

We will always do our best on anything that you wish to dispose of.

Sincerely

KANSAS CITY SPORT GOODS CO.
