Dear Dr. Allen:

So far I have not been able to get a chance to see your unbeaten Big-Six Champions this year and would like very much to see them in the regional playoffs with the Oklahoma Aggies. I wonder if it would be possible for you to get four tickets for me for those playoffs. Phil Beatty and I were discussing today what a fine game that will be, and we definitely want to see it if you can help us out by getting tickets laid aside for it. Please advise if you can do it and we'll send a check by return mail for the amount.

Please accept my annual congratulations on your Big-Six Championship. While it has become a matter of routine winning them every year, I am sure it never gets monotonous to you and I know that those of us who went to school to you get a lot of continued satisfaction out of your yearly success.

Sincerely yours,

BOEING AIRPLANE COMPANY
