Dear Dr Allen

About 2 weeks ago I wrote requesting 4 tickets to the O'Agge playoff games for Phil Beatty and myself. Your secretary answered saying the tickets would be sent as soon as date place etc. were determined. Now I need 4 more to take care of additions to the party which will include Clif Barron, Carl Schaefer's #2 man and Dr. Bob Maxwell, a KU alumnus and quite prominent in Medical Society circles. Barron incidentally has a daughter who is a freshman on the Hill to whom he wants to pay his first Lawrence visit enroute to KC.

Certainly will appreciate your good offices in helping us to get these tickets

Sincerely,  
George Drombold
