Dear Junior:

It was nice of you to write me as you did on March 18, the day of our game. I appreciate the fine sentiment that you expressed in your letter. It certainly well repays a fellow to do anything he can for the boys in the service, especially when they so gratefully acknowledge it as you have done.

We are mighty happy to do anything we can to make life as pleasant as possible under hellish conditions.

You certainly have been a great follower of K.U. and her athletics. We appreciate your most loyal support.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
