

our struggle for freedom in everything we do. I know that the future of America and American children will be safe and a happy future, when we have men like you to look up to.

You mentioned in your letter that you would like to have the pleasure of meeting me, when and if I return to the States. Let me tell you friend, I would also like to meet you, but the pleasure would certainly be mine. Thank you again for your letter. I close wishing you the best of luck and health and future happiness.

Sincerely yours,
Cpl. Albert Thomas.
