

October 23, 1944.

Dean J. W. Twente,
School of Education,
University of Kansas.

Dear Dean Twente:

E. C. Quigley has talked to me about putting on a master coaching course this next summer. He really will go to town and I believe if the budget committee doesn't see the point that Mr. Quigley will finance it from an athletic standpoint. We are in for bigger things athletically.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
