Dr. Forrest C. Allen, Director
Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I have been out of the office, a little under the weather, for a day or two or I should have written you sooner in answer to your fine letter of October 21.

There is positively nothing to forgive, Dr. Allen. I am always glad to shake your hand, but you were busy and there was no thought in my mind that you had been discourteous in the least. On the other hand, I should thank you for the very fine address that you gave. I am sorry I did not get to hear all of it. John Jacobs remarked to me later that he felt "put on the spot" to have to follow you. I may say, however, that Mr. Jacobs did himself proud.

Again thanking you for your great interest in our schools, I am

Very sincerely,

Superintendent
