Dear Mr. Trevor:

I am sorry that I failed to give you the information which you asked of me in your recent letter. I have been so tied up with war work as secretary of the Selective Service Board and other allied war activities, that I have not had the time to function in extra curricular matters. It would have taken a good deal of time to get the information that you desired and I simply did not have it.

I have been teaching classes in the University this summer. However, our school closes on Saturday, August 18, and if this information could be forthcoming after that I would be glad to accommodate you. Please let me know if the information at a later date can be of benefit to you. With all good wishes.

Sincerely,

Forrest C. Allen
