

least our minds center on the happenings in Kansas.

Time has really been flying by since I've been here. The indoctrination period is over and I pulled through O.K.. You sure look forward to week ends here. The Chicago population on the whole are very hospitable to the midshipman. We have invitations to parties and dinners every week-end. I am kept so busy doing things in a rush that the day is gone before you know it, then the week.

I'm playing basketball for our platoon. We have won 7 out of 8 games. We have a fine team. Traebitta, the captain of Ohio State, and I play forwards; Ugland, a 6'2" boy from North Dakota at center; Trodson, U. of Calif.; and Crawford from U. of Virginia. I was in charge of the basketball team. We used No. 2 and 1. most of the time to start things rolling. We played the officers team here one day and beat them 38-35. Dick Kline plays center for them; he played with Great Lakes last year. He only made 7 points. We have a scrapping, well-sounded team. Ugland and Traebitta were on watch the day we got beat or I believe our record would have been clean.

I just talked to Kresie over the phone. He said, "Francis Kappelman is in town for a few days. I sure hope I get to see him while he's here."

It's almost time for the end-of-liberty muster; then we hit the books; after which we hit the well welcomed sack (Bed).

I'll be looking forward to receiving the next issue of the "Rebounds"; until then "adios and win'em all."

P.S.

Depaul sure has a powerhouse of a team this year.

Sincerely yours

Paul
