Gentlemen:

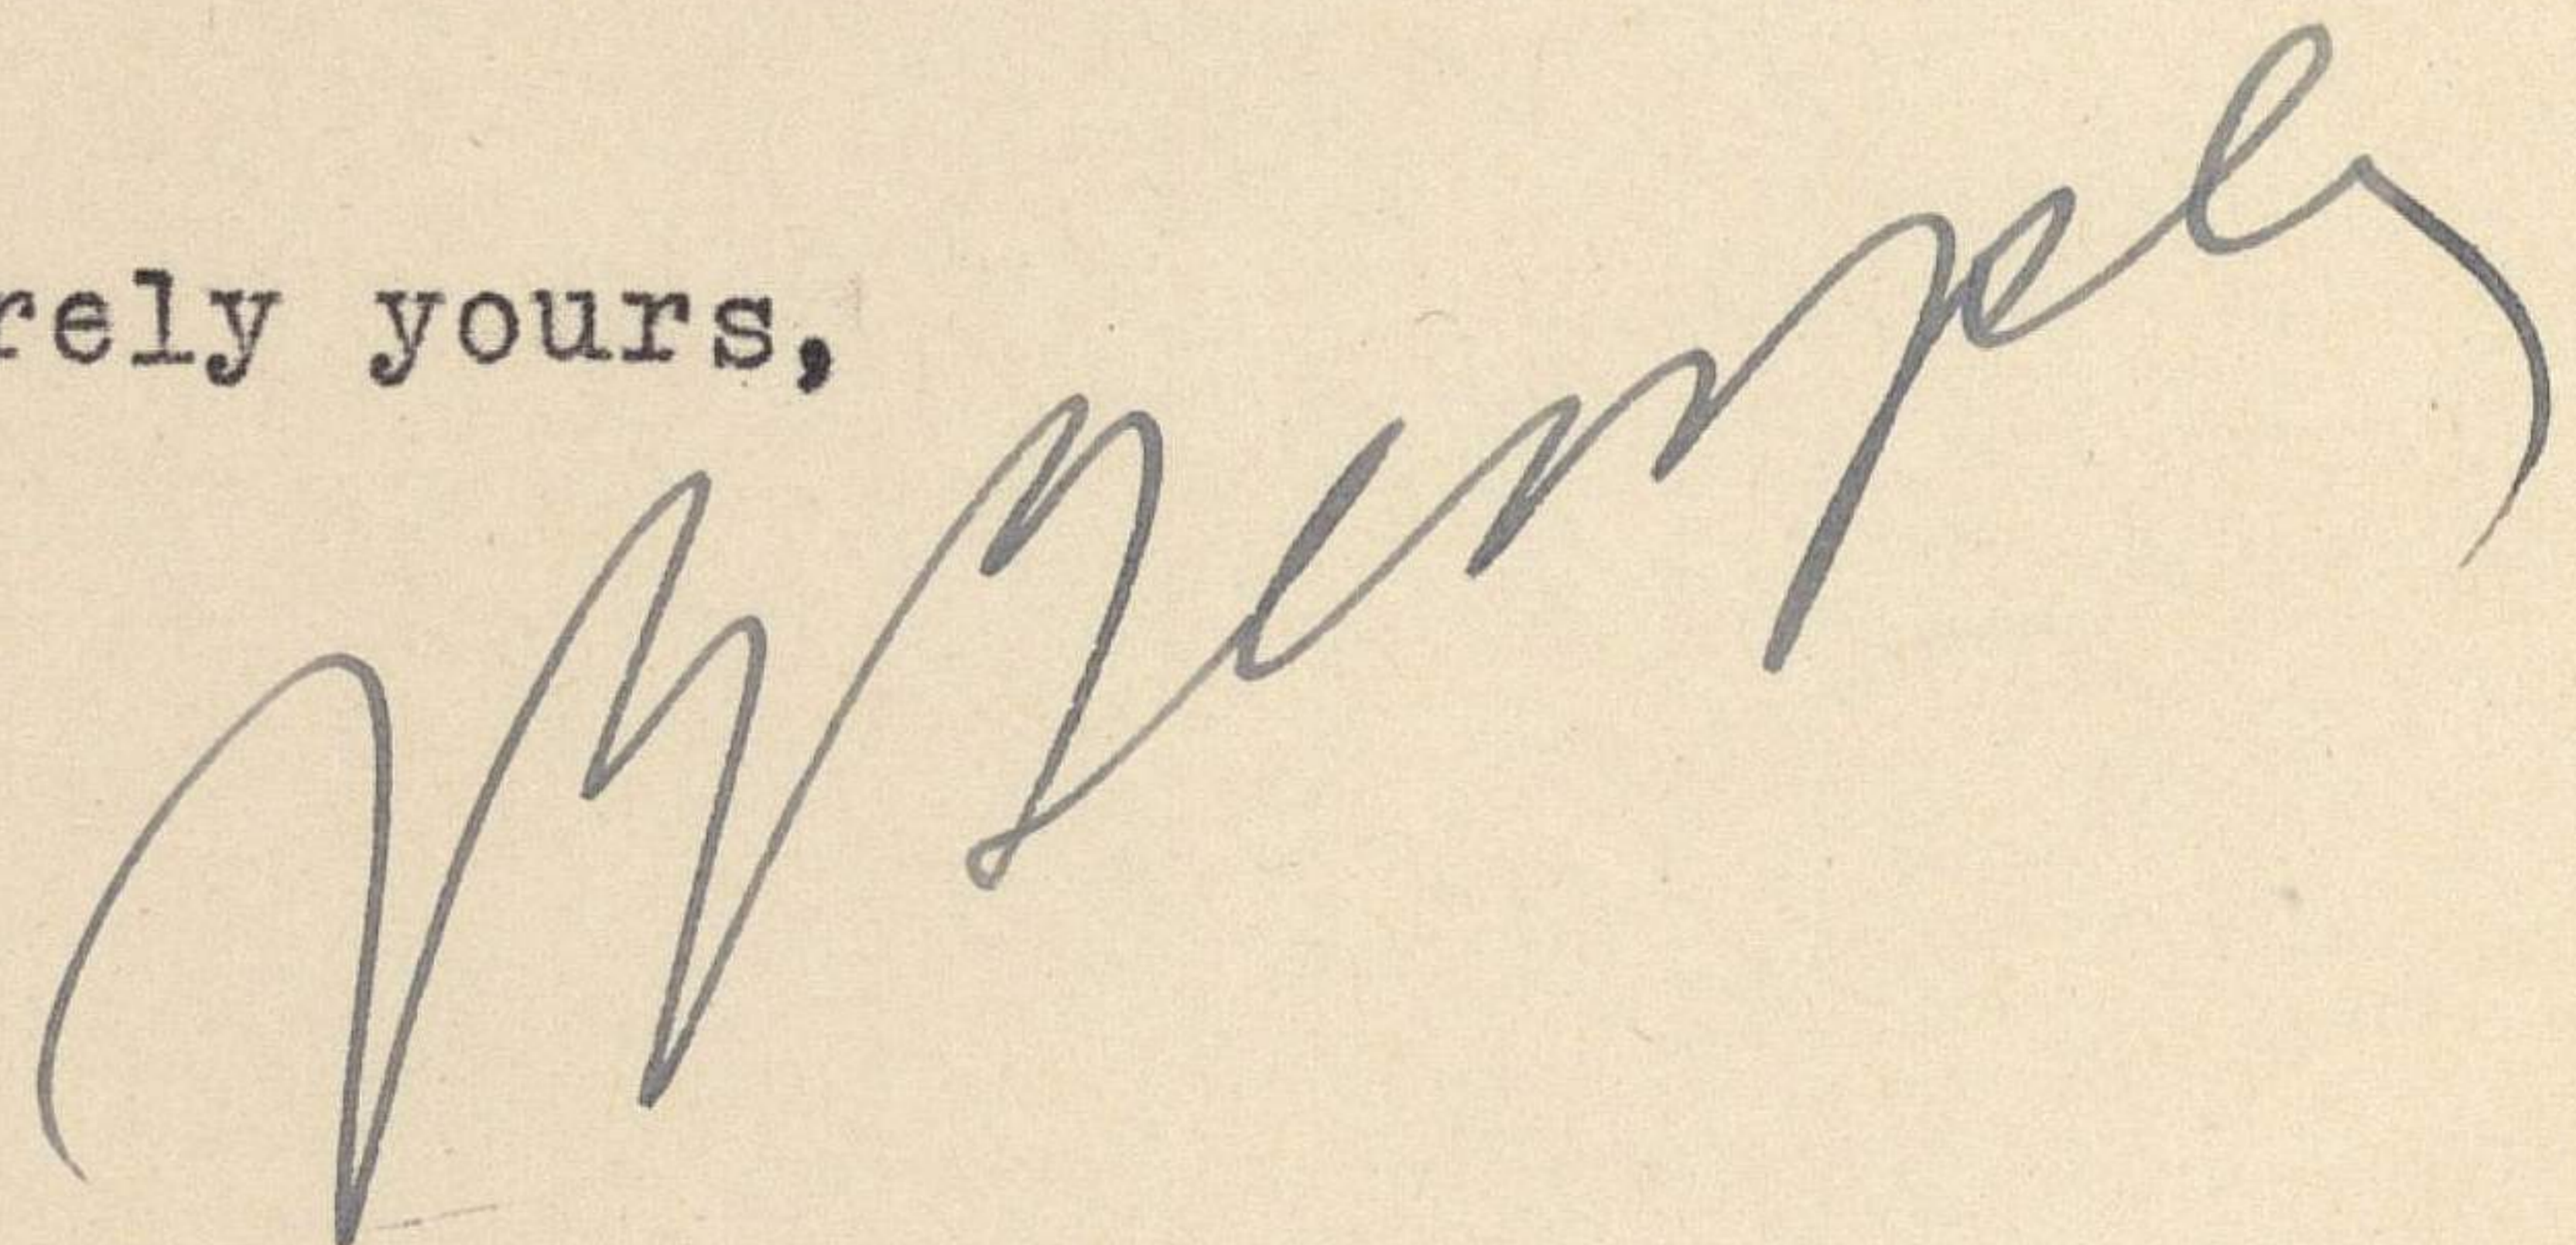

I note that on page 12 of your Dec. 1943 issue you  
state that Dr. Allen is the author of two books, namely,

My Basketball Bible  
Better Basketball

Please tell me where I may order these books for  
examination.

I am mailing to you today, undersseparate cover, a  
check for subscription to your magazine.

Sincerely yours,

Dear Phog —  
"Bread cast upon the water  
returns to you in many days."  
I have referred him to Mr. Brewster. I  
have also mailed copies of the  
December issue you requested —  
Thanks — again —
