Dear Mrs. Trump:

I am sending you a copy of the letter I have sent on to Bob. I am happy to do this for him, and trust it is not too late to do him some good. As I explained to you, my secretary was ill and I was unable to locate the correspondence.

I am sorry that I did not see Bob when he was here on the campus recently.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
