

February 9, 1944.

To Whom It May Concern:

I am very happy to write in behalf of Robert M. Trump, a former student at the University of Kansas.

Robert Trump was one of our outstanding students in scholarship, activities in athletics, social life and politics. He obtained his A. B. degree here in June, 1942. He majored in Journalism. He came here as a transfer from Ottawa University with advanced standing, and while at the University of Kansas was on the Dean's Honor Roll for each of the three years. He was a member of the tennis team, was elected to Saxon, men's senior honor society, and to Sigma Delta Chi, honorary journalism fraternity. His outstanding scholastic record was rewarded by election to Phi Beta Kappa. He was also a member of Phi Kappa Psi, social fraternity.

Bob Trump possesses a forceful personality, a strong and dominant character, and high intellectual leadership. He is one of our key men. He has completed the requirements for a graduate degree in Quartermaster work and related subjects at the Harvard Graduate School of Business Administration.

He has unusual capacity for leadership, and I am happy to recommend him without reservation or evasion. In my opinion he is fine officer material.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
