Dear Hubert and Virginia, Claire and family:

I am sending you a Jayhawk Rebounds and trust that you will enjoy it.

I certainly got a wonderful kick out of Hubert, Jr.'s letter. He surely has literary ability. I am also sending a copy of the Rebounds to Roberta.

It was nice to have the visit that I did with you good people. I wish we might have more of them. I am hurrying along so will say hello and goodby rather hastily, hoping for another visit soon.

With all good wishes to everyone, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
