Dear Phog:

Thanks for your letter of March 4th. I sincerely hope that you can work out ^athe schedule that will enable you to be with us on the thirty-first.

I know that transportation is a problem these days. It is one that is a little difficult to offer help on too; however, I hope that you can hit on a solution that will not make the trip too burdensome to you and give me a chance to put on a program that I really want to stage.

Let me know if I can do anything to further the cause.

With best wishes to you personally and looking forward to seeing you soon, I am

Rotarily
