

March 15, 1944.

Mr. J. D. Turner, President,
Rotary Club,
Independence, Kansas.

Dear Joe:

I find that I will be able to speak to your
Rotary Club basketball banquet on March 31.

Somewhere in the back of my mind I have a
vague recollection of your asking me to speak to
the high school. I wouldn't necessarily care to
do this, but I want to keep my dates straight, so I am
writing you asking about it. Please don't make a date
for me if you haven't planned it that way.

Also, please tell me what time the banquet will
be. Give me all the details, Joe, and I will be
there and do the best I can for you.

With all good wishes, I am

Rotarily yours,

FCA:AH

President.
