

KANSAS GAS AND ELECTRIC COMPANY

INDEPENDENCE, KANSAS

J. D. TURNER  
DIVISION MANAGER

April 3, 1944

Dr. F. C. Allen, Director of  
Physical Education  
University of Kansas  
Lawrence, Kansas

Dear Phog:

This is to get into the record the gratitude of the Independence Rotary Club, and more especially of the president, for coming down here last Friday when we entertained the High School basketball squad. I have heard a lot of complimentary comments from our club members and my operative tells me that the boys were enthusiastic about your talk.

Thanking you again and with best wishes always, I am

Sincerely

A handwritten signature in cursive script, appearing to read 'J. D. Turner'.
