Dr. Forrest C. Allen, President
Rotary Club of Lawrence
Lawrence, Kansas

Dear Phog:

No, you didn't spill any beans. I had told Stockebrand that you were coming and he had told the boys. Stevens was not aware I was breaking the news to our club during his absence at the Kansas City tournament.

Our meeting time is 12:05 P.M.

I don't know how you can run a Buick for as little as six cents a mile. I hasten to accept your terms.

I do appreciate your taking time out to fill this date and look forward to a good visit with you next Friday.

Rotarily,
