Dear Phog:

Following our telephone conversation I had a little talk with Dave Dennis. He says that Shive is mistaken about his plans to enroll November 1. David will be 18 years old within the next few weeks and, therefore, does not plan to enter school at all. However, if there is some army or navy course that would give him reasonable assurance of completing a semester or two, he would enter school now and would prefer KU. Neither he nor I knows of any such course but perhaps you do. I told him that I would pass this information on to you and that he would probably hear from you either direct or through me.

It was good to have a little visit with you over the telephone. Hope we can soon have one face to face.

Best wishes always.

Sincerely,
