Dear Erick:

I certainly appreciated your good letter and the enclosure from "The Stars and Stripes".

I was over at Atchison this past week and spoke at a get-together of all the men of the Protestant churches there. I saw Mr. and Mrs. Karl Spear, and we talked about you. I assure you it was all very complimentary.

I am sending you a mimeographed letter that has gone out to some of our boys who are in the service. Some of these names I know are very familiar to you and I am sending this along with a resume of our basketball season which may prove interesting to you.

Where is Mrs. Tebow? Give my kindest regards and best wishes to her. And you know this goes for you one hundred per cent. It was nice of you to think of us, and I assure you we are constantly thinking of you and your welfare.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
