Mr. Kenneth Thompson,

Lawrence, Kansas.

Dear Kenny:

Dr. Peete writes that he will be glad to have you come in for an examination any time you are in Kansas City, except, of course, Saturday afternoon. His office is 531 Argyle Building. Give him a ring either at his home or at the office when you are in Kansas City, and make arrangements for the examination.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
