

do you think his work will
bother him any. you go right
after him. He is kindly
hard to get next to. But he
thinks there is no one like
you. I was talking to Mr
Fordyce last night. He is
anxious to see him go to
the front in Basketball
I want to see you when I
come up and have a talk
with you on that. We want
him to go the limit. I think
he can do the job. I would like
to see him go to the front. So
will see you as soon as I can
I want to attend all home games
and maby some of the others
