Campus

Dear Dr. Allen:

On January 13th Dr. Robert H. Riedel, Director of the Division of Venereal Diseases of the Kansas State Board of Health will show two talking pictures concerning venereal diseases to my class in School Hygiene. These pictures are suitable for lay audiences and will give considerable detailed information concerning these diseases.

The meeting will be at 11:30 in Room 306, Fraser. We will be glad to have anyone interested attend.

Sincerely yours,

*AH Turney*
