Dear Sed:

I greatly enjoyed the opportunity to visit with you. It was indeed a pleasure.

I am sending you a copy of the rules and regulations of the Big Six Conference, and I am also sending you a copy of the speech I made at Cape Girardeau, Missouri, on November 26. I would be glad if you would glance at this and see if you do not agree that the trend is pretty rapidly going in this direction.

When I said to you that when the war has deflated this thing, if the American Association of University Presidents would appoint a committee as Uncle Sam has done to take care of the slack in unemployment after mustering out the men, then we would not have to go on relief.

I thoroughly agree with you that professional sports have no business in amateur ranks.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
