

The NATIONAL LEAGUE

presents

PLAY BALL, AMERICA!

A free loan sound movie offering thirty minutes of individual and team play that will entertain and enlighten every coach, player, and fan.

SOME OF THE FEATURES

Battery strategy—footwork on double plays—fundamentals of hitting—baserunning tactics—and many more interesting phases of inside baseball demonstrated by Paul Derringer, Gabby Hartnett, Dolph Camilli, Tony Cuccinello, Merrill May, Joe Moore, Joe Medwick, Arky Vaughan, and many other National League stars.

PLAY BALL AMERICA is available on 16mm film (one 1200 foot reel) and 35mm film (two 2000 foot reels) to schools, churches and organizations who can provide sound projectors. The only obligation is express charges both ways. (In some cases, a small service charge is made.)

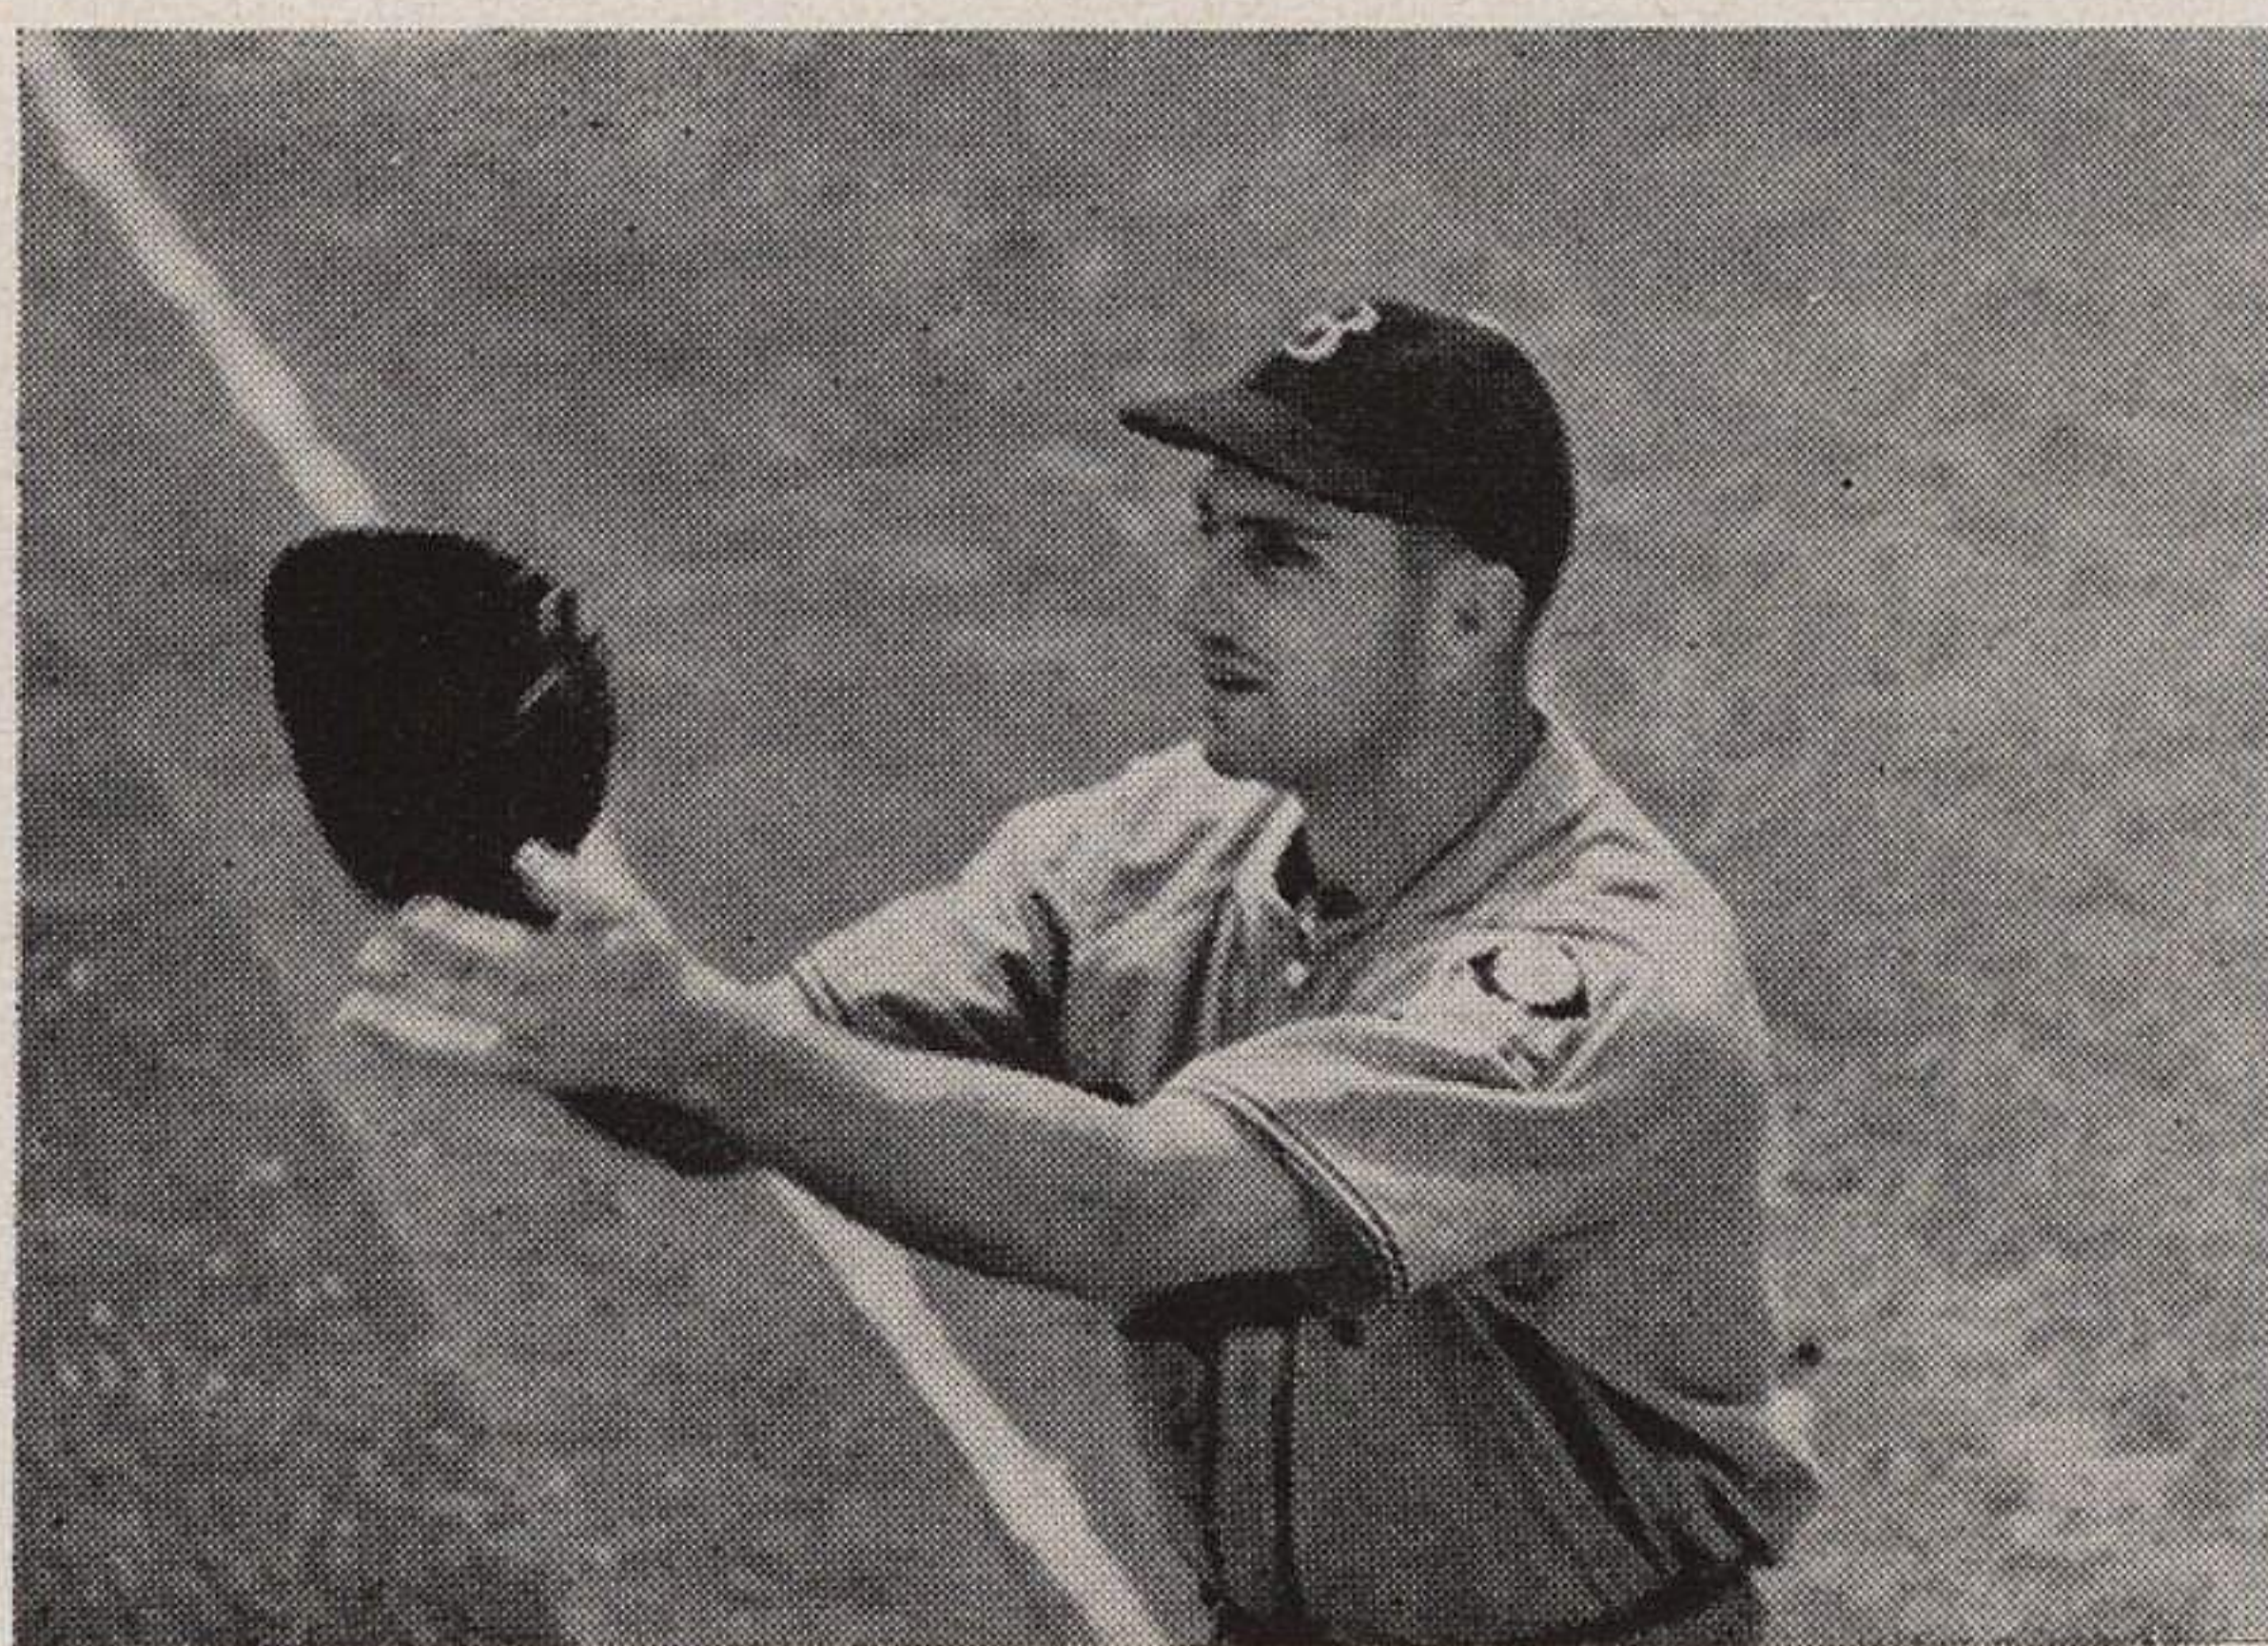

PITCHING

Why is Paul Derringer's curve ball so effective?

CATCHING

Does Gabby Hartnett give the same target to all pitchers?

FIRST BASE

What shifting tactics by Dolph Camilli mean out instead of safe?

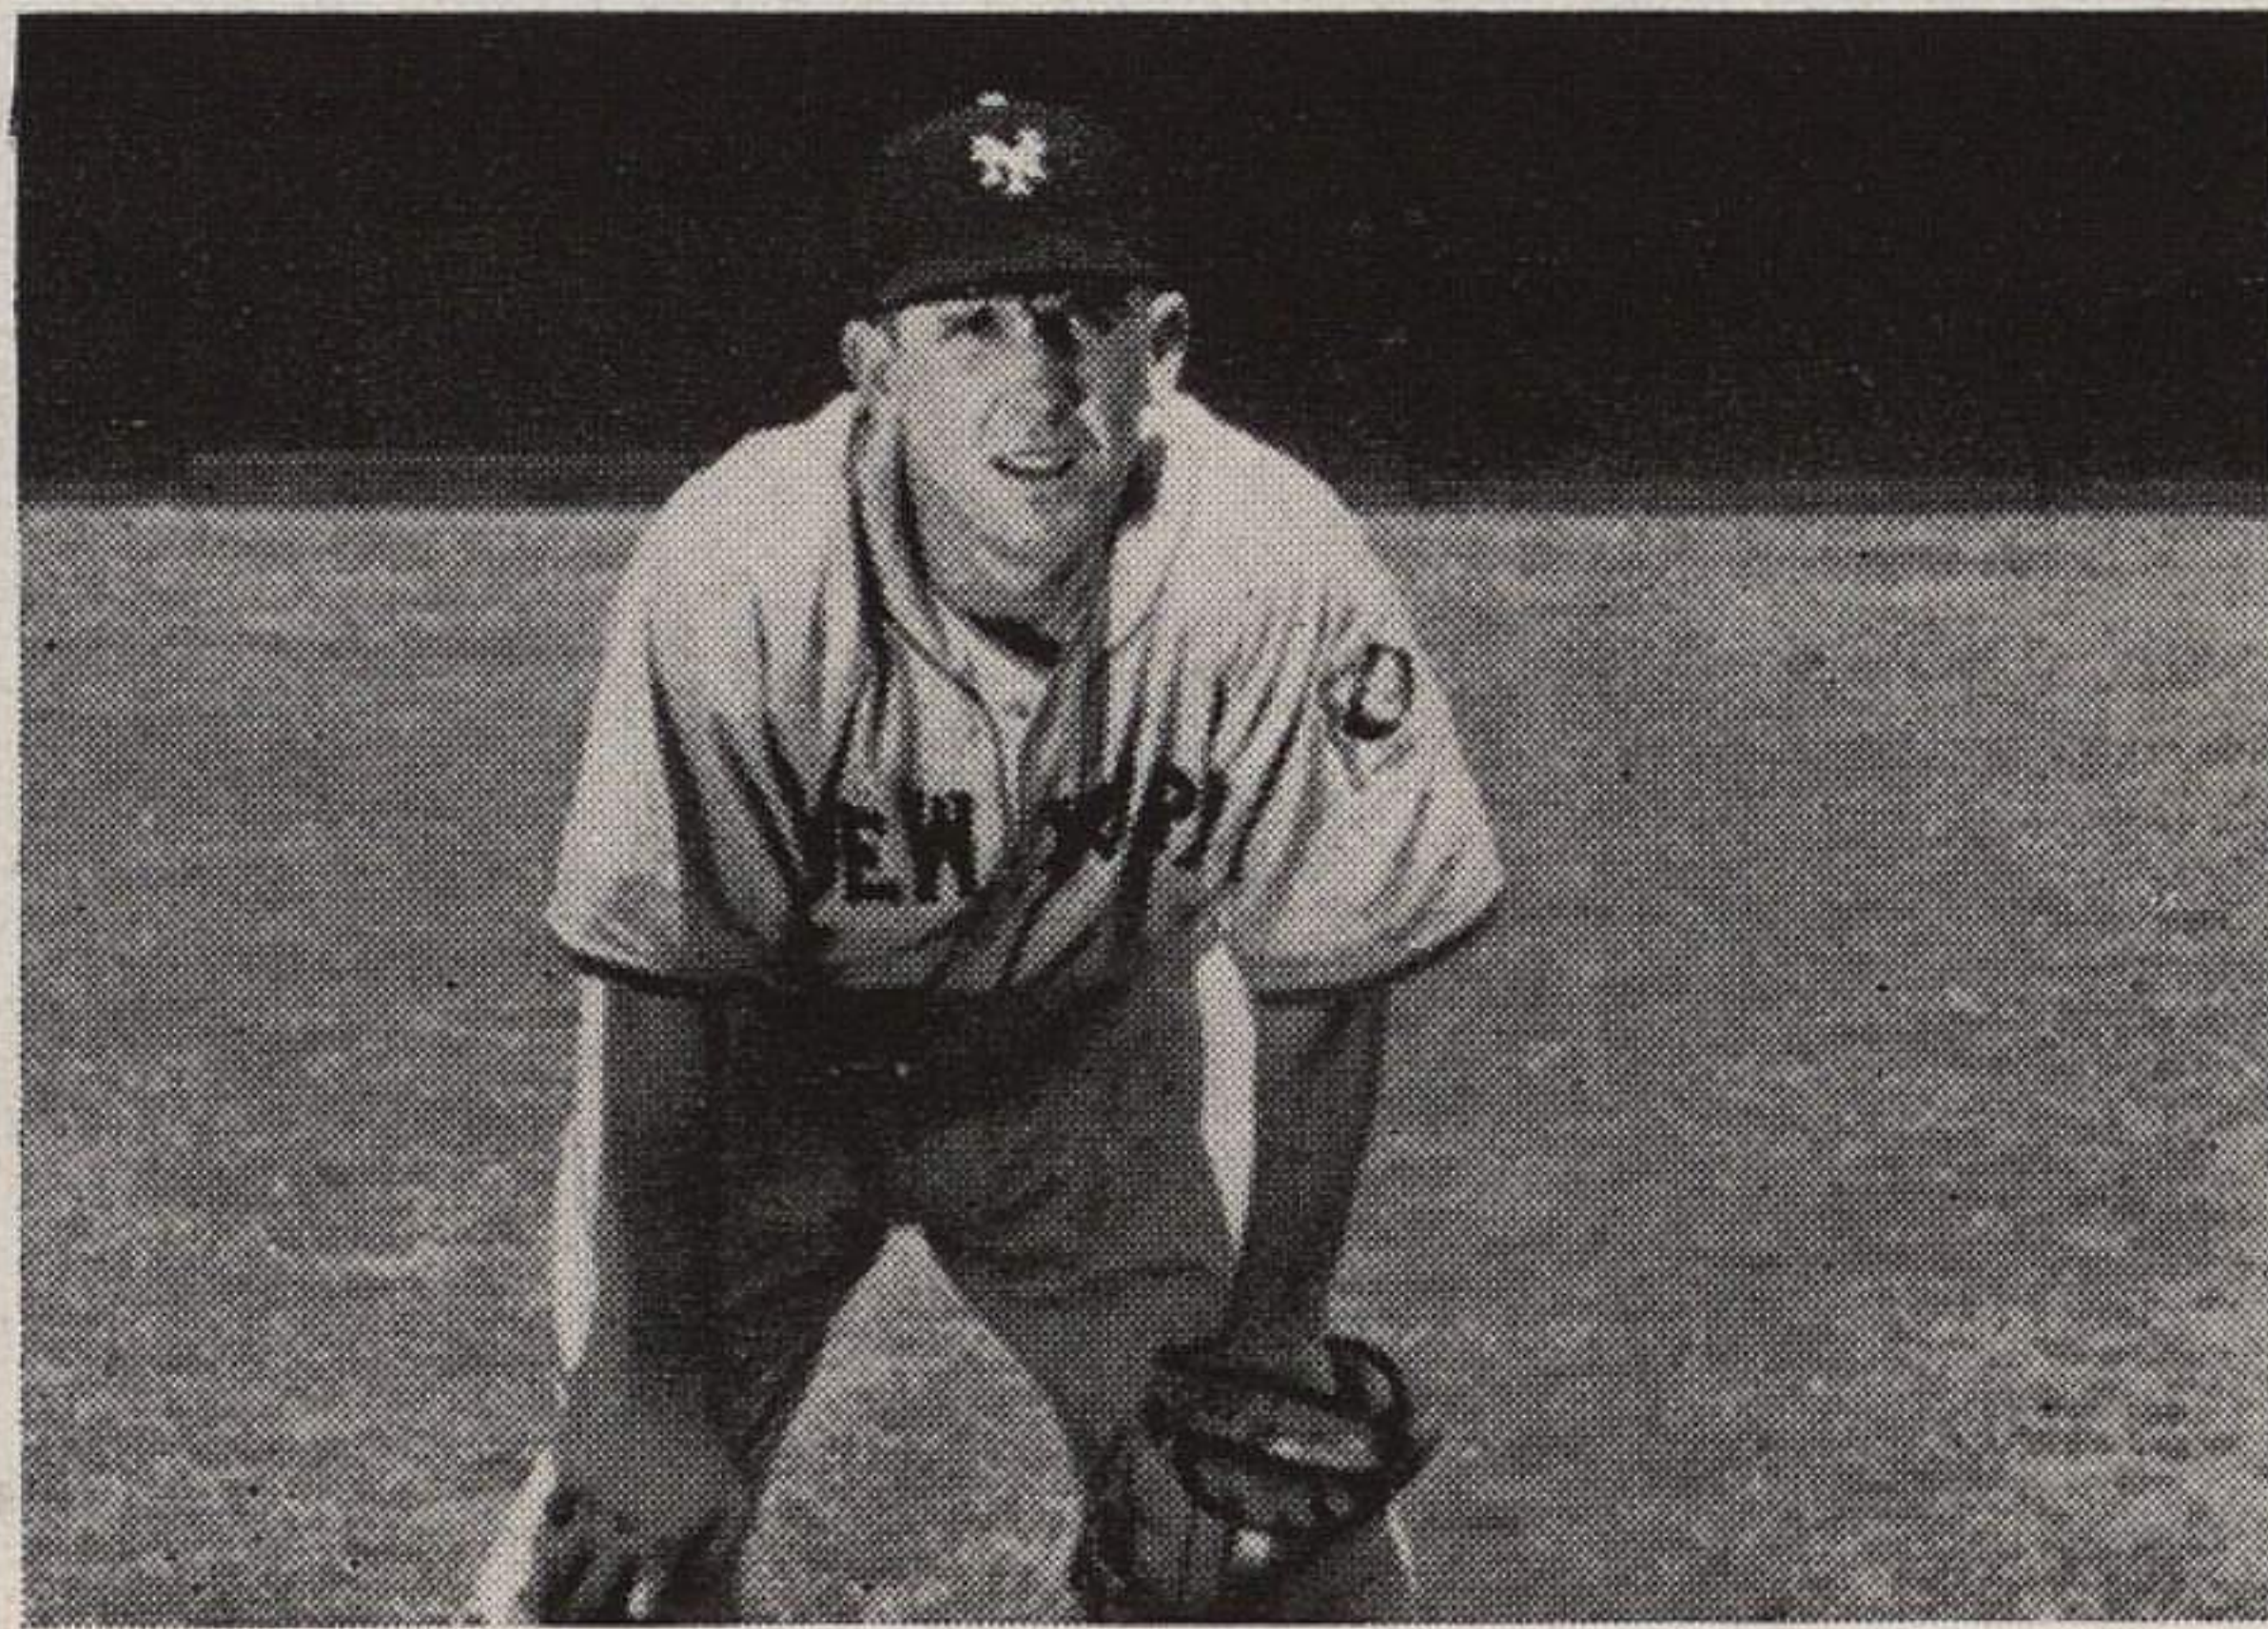

SECOND BASE

How do mouth signals help Tony Cuccinello team with his shortstop?

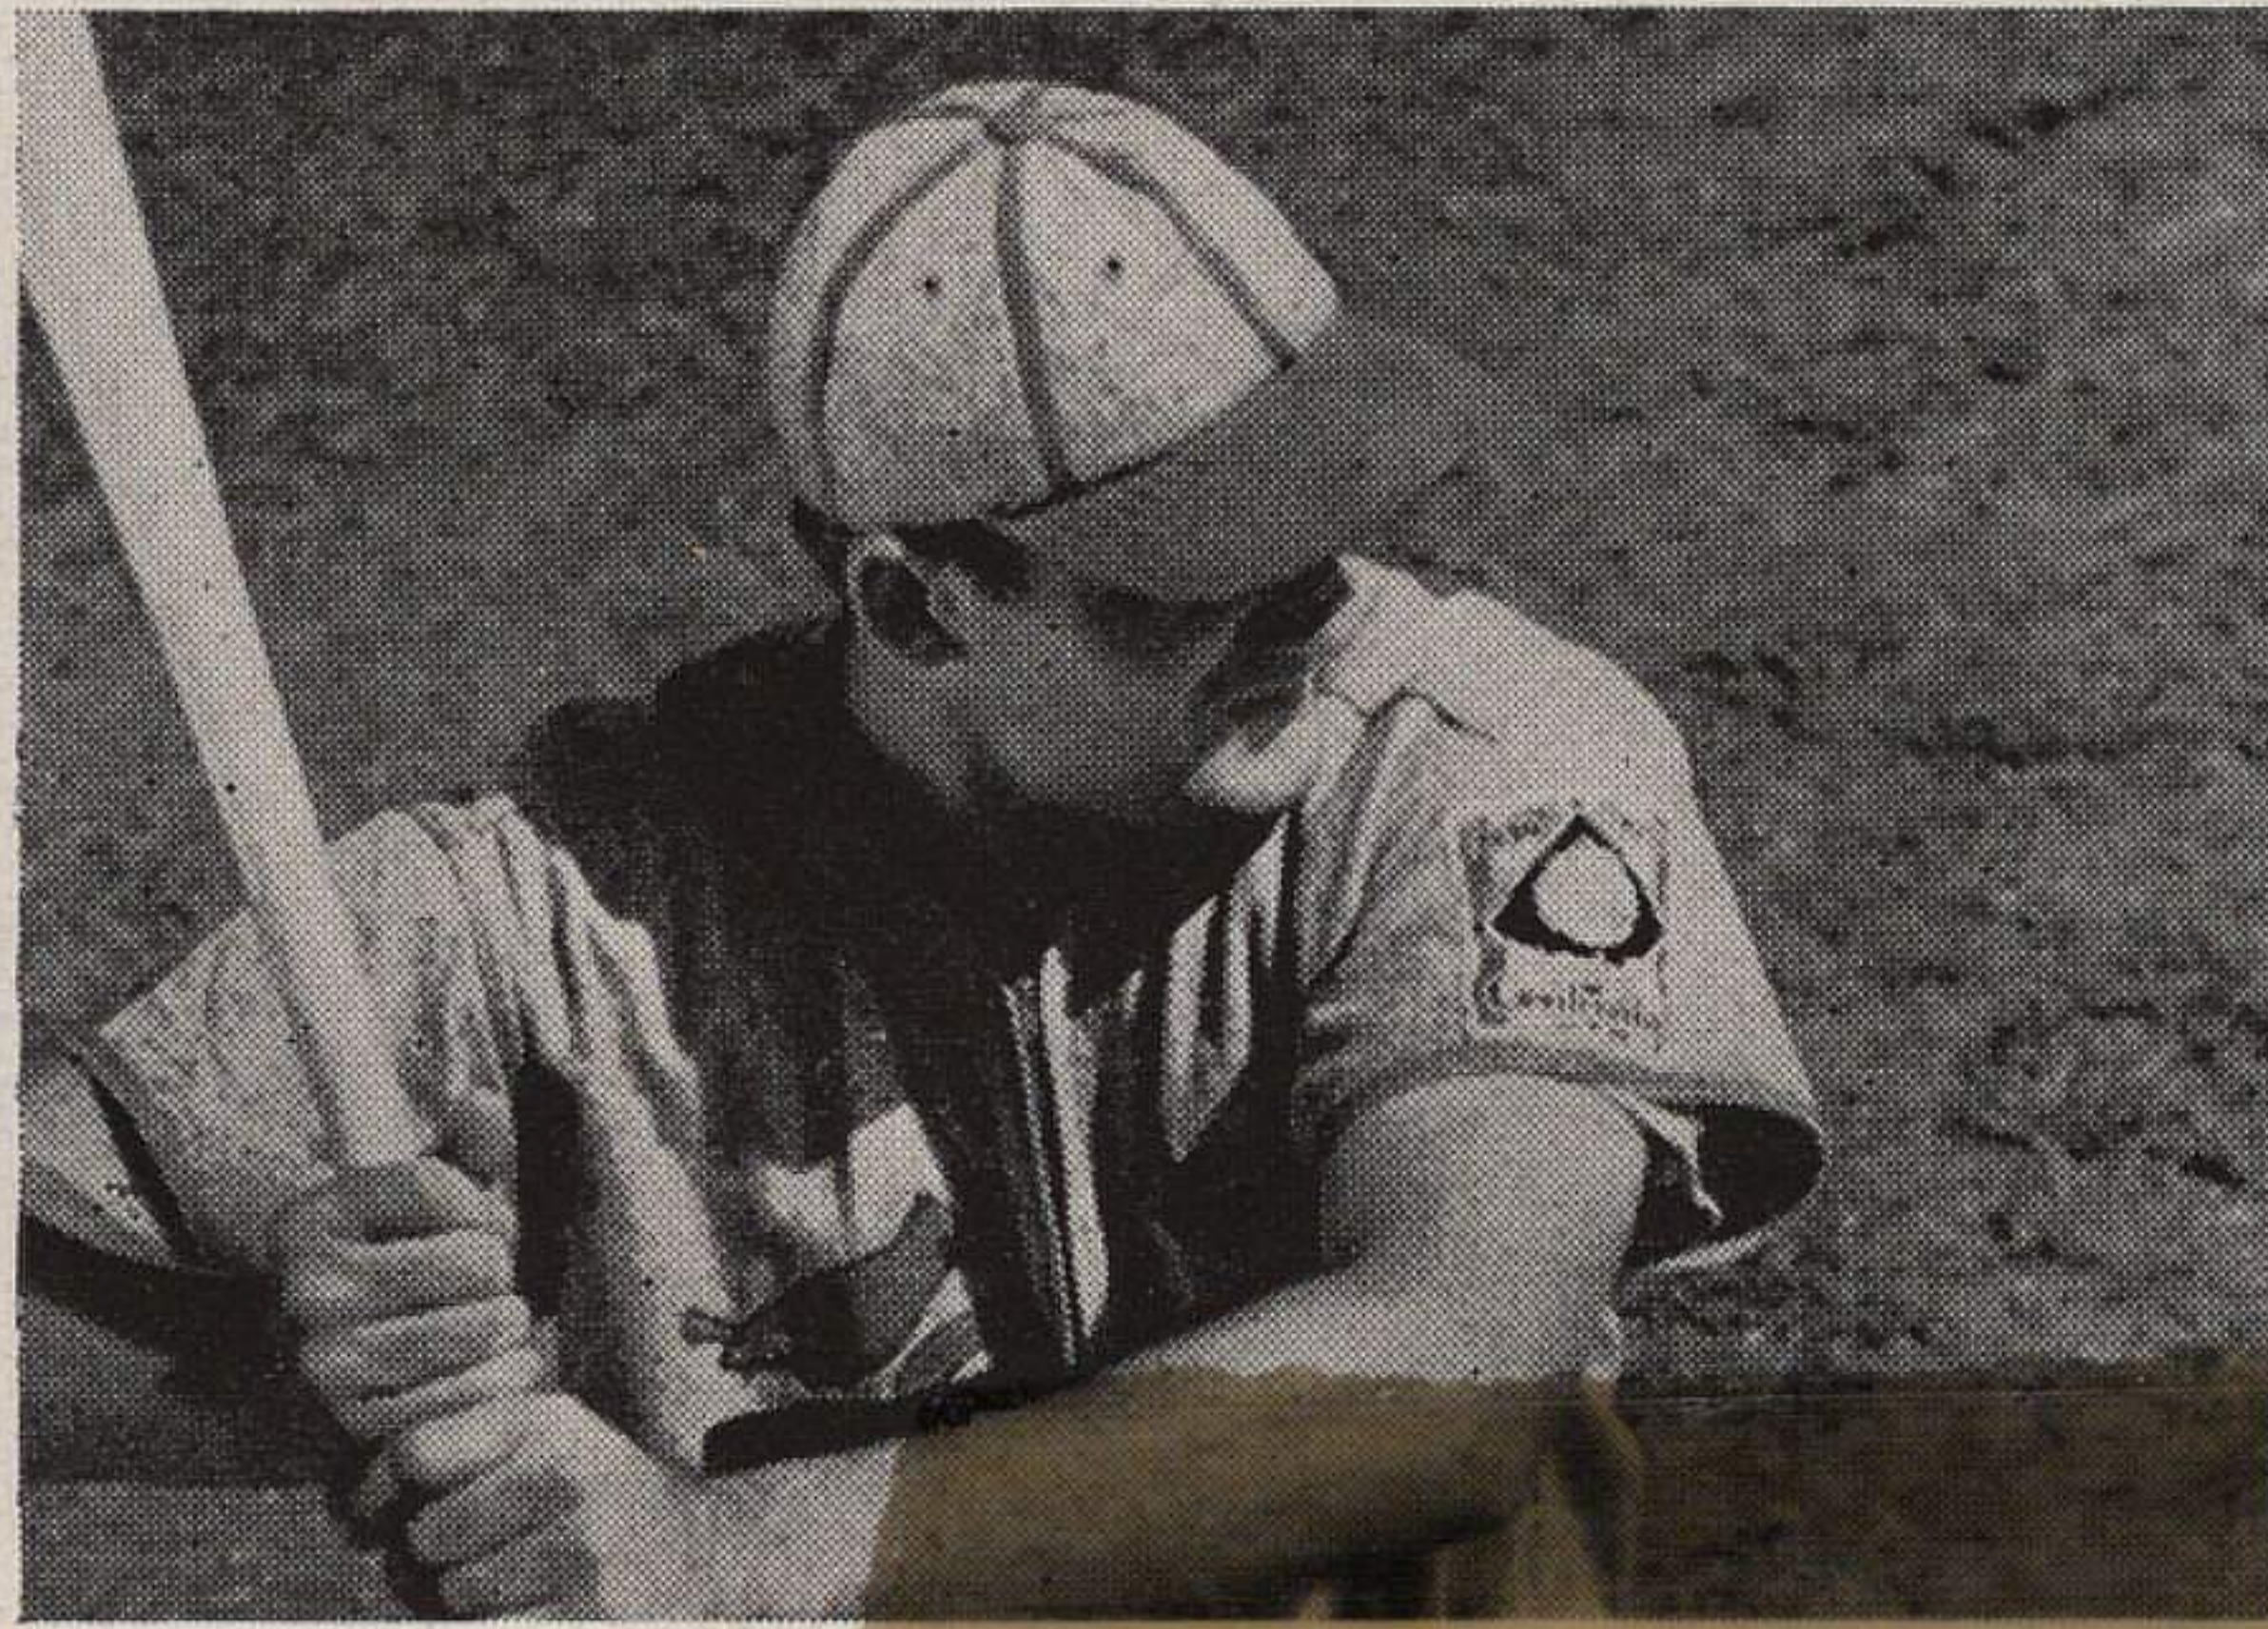

THIRD BASE

When does Merrill May play bunts with one hand?

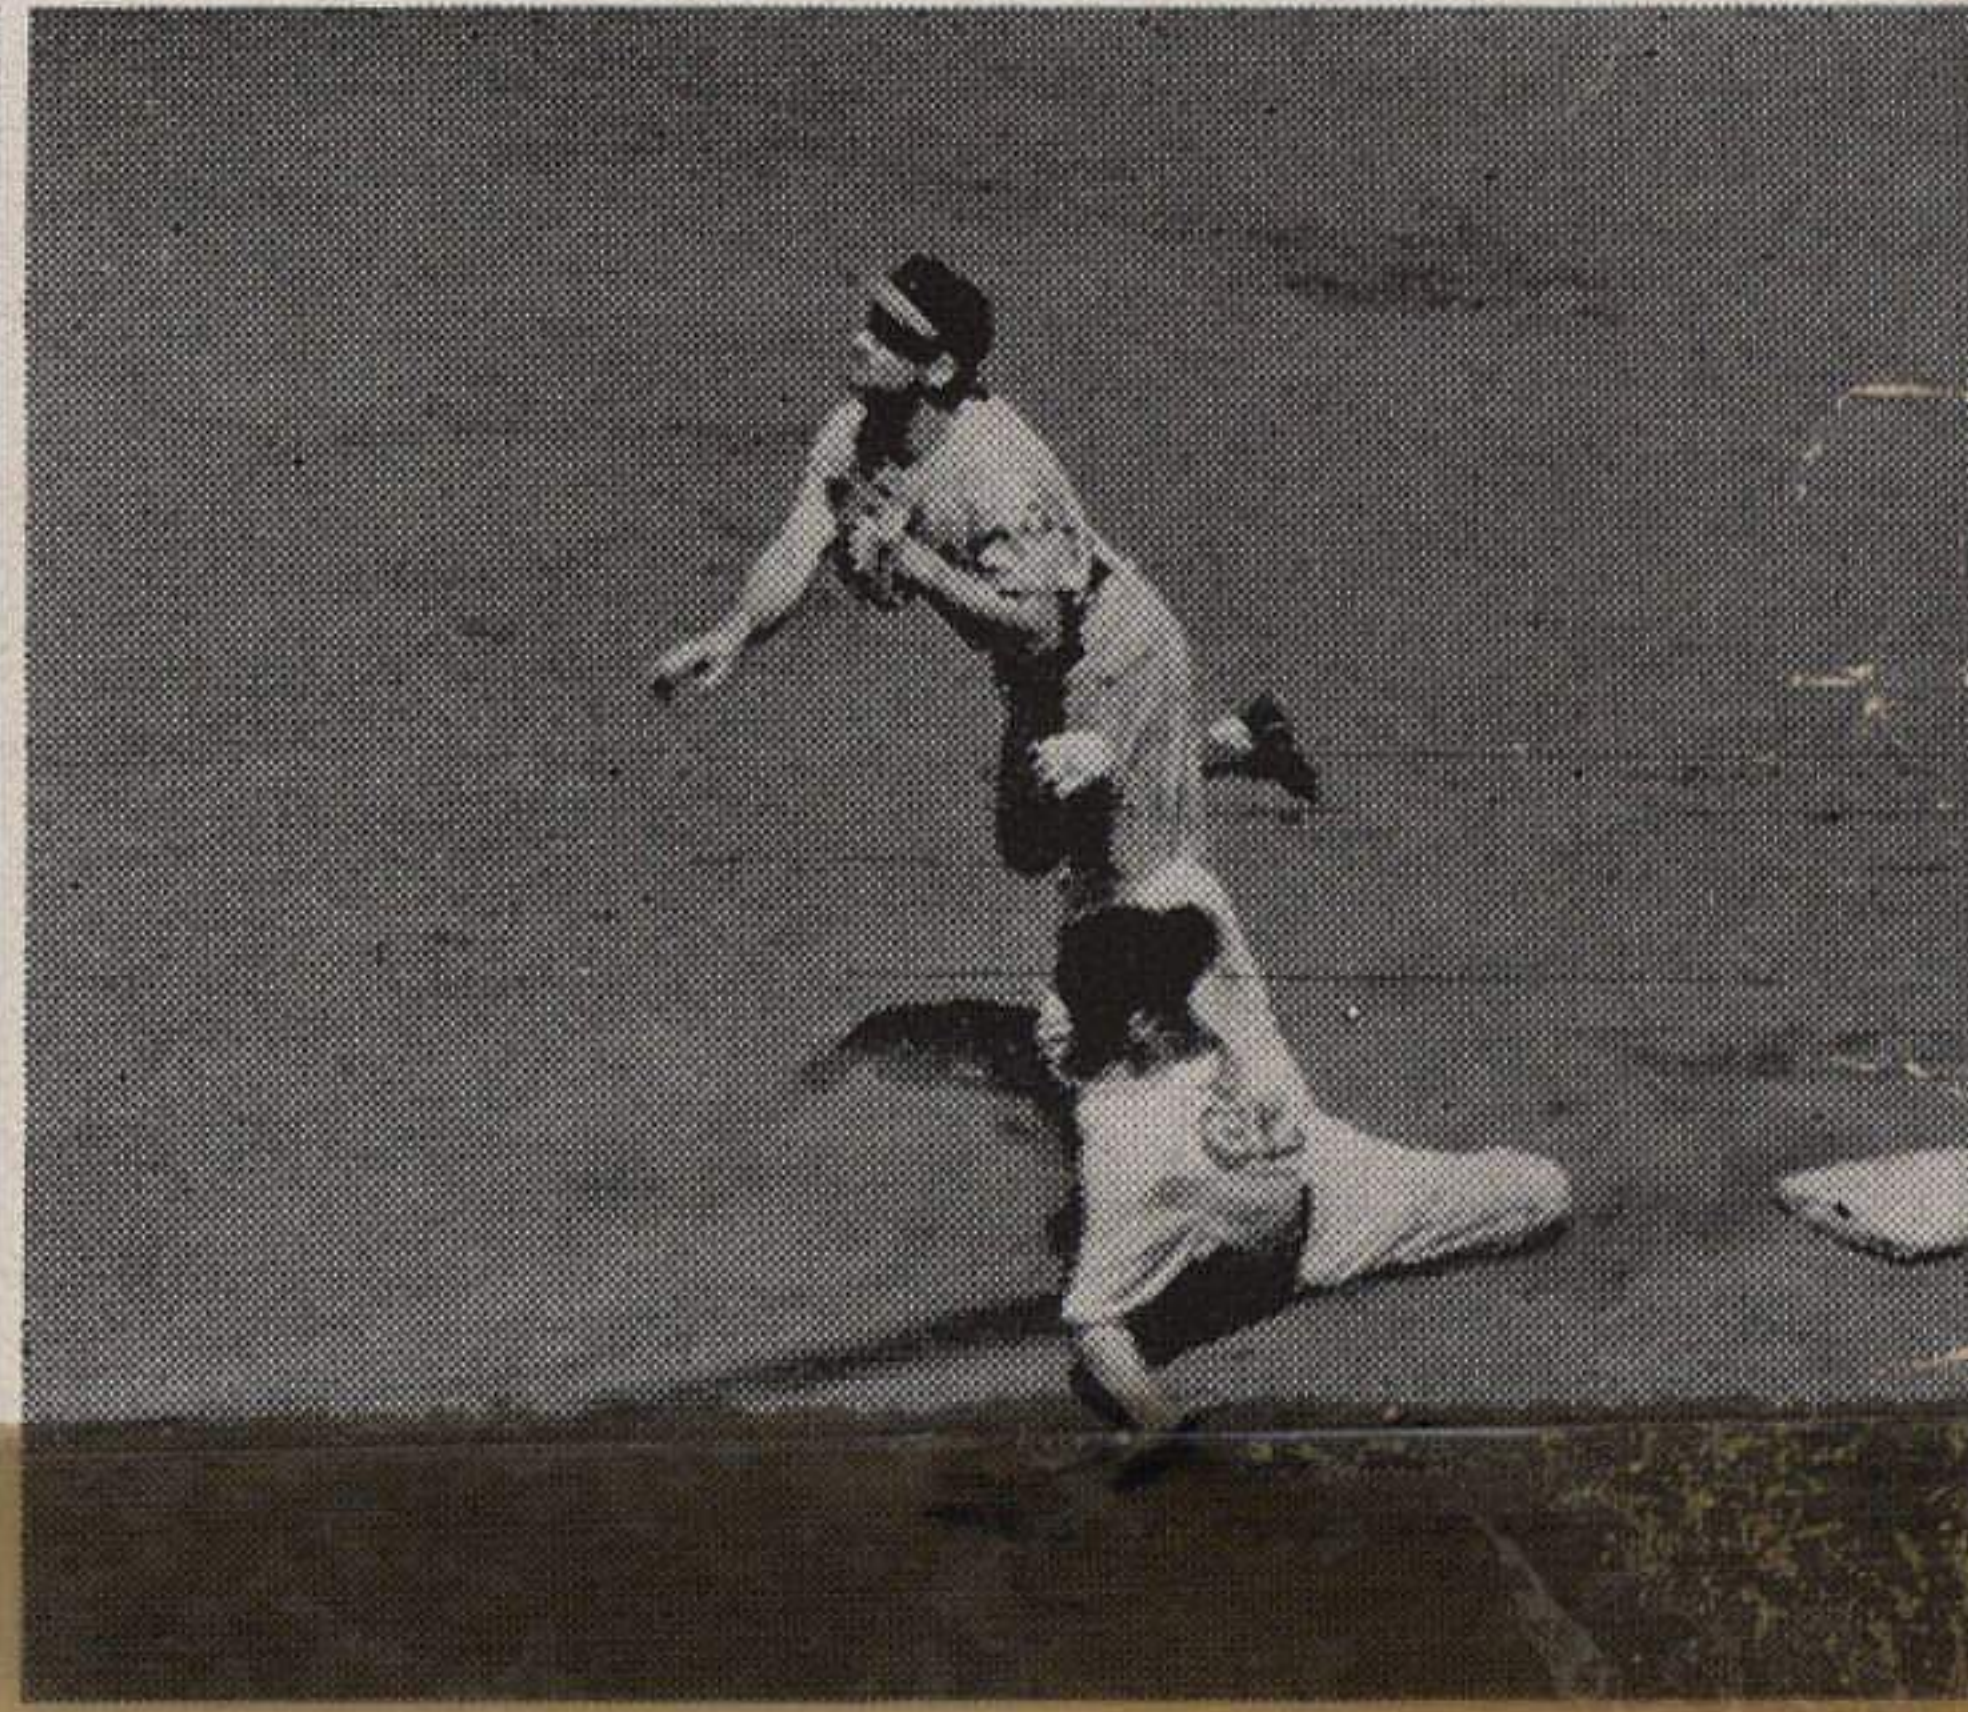

OUTFIELDING

Why can Joe Moore throw better after circling a fly ball?

BATTING

Is Joe Medwick's end grip favored by all long distance hitters?

BASERUNNING

What advantage is there in the ber leg slide Arky Vaughan employs?
