Mr. "Sec" Taylor
Sports Editor
Des Moines Register
Des Moines, Iowa

Dear Sec:

It was nice of you to remember me with an orchid and I greatly appreciate your kind words. Your paper orchid arrived in much better shape than would the real McCoy; however it is cool enough here for an orchid to stay in cold storage quite sometime without wilting in transit.

I trust that you are enjoying the Florida sunshine and storing up a lot of that original Sec Taylor pep.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

AN

Orchid

TO
YOU

FROM

FLORIDA

Florida has several varieties of Orchids, that grow wild in the Hammock Lands of the Everglades, because the climate is entirely suitable to the cultivation of these plants.

There is a rare collection of Orchids at Mead Botanical Gardens, where this picture was taken.

Dear Fog:

It's only paper but it's an orchid from Fla. for your outstanding job of coaching this season with kindest regards to yourself and the other members of the staff, I am,

Sincerely,

Lee Taylor
