Dr. F. C. Alben,
Athletic Department
University of Kansas
Lawrence, Kansas.

Dear Sir:

In a news story by the United Press which has been called to my attention, it was pointed out that the Kansas team "has the only known prayed-for outfit in the nation."

The story says that an old Negro woman who cooks for three of your players prays for the success of the team before each game.

If possible, we would like to have sent to us a picture of this Negro woman as she does her praying with the boys she cooks for nearby.

Please let me know if it will be possible to get this photo.

Sincerely,
James L. Toomey
