Dear Mr. Allen:

Your letter regarding the use of the new National League film has been forwarded to Burton Holmes Films, Inc., 7510 N. Ashland Ave., Chicago, our distributor in your territory. I requested that they give your application every consideration.

We have had a great demand for our picture and just the other day Burton Holmes advised me all dates were filled until June 7th. Under the circumstances, I can make no promises.

Cordially

Ethan Allen
