Mr. Ray G. Tripp
Herington, Kansas

Dear Ray:

Mighty glad to have your letter as of the 11th instant. I expect to be in Lawrence until the close of the summer session, which is around August 7. I am teaching so you can find me here most any day.

However, it would be a good idea to write me a couple days ahead and tell me the time of your coming. My two classes are from 9:30 in the morning until 11:30, each school day. On Monday and Wednesday afternoons at 4:15, on the intramural field, I umpire one of three games in our six-team softball league. Also at night, from 7:00 to 9:00, we have our recreation center open here on the quadrangle. I wish you might plan to see that in operation. I think it will be an eye-opener for you. Do that, won't you, Ray?

I certainly will be happy to talk with you regarding the Placement Bureau. I have some good words to say for the gentleman that you discuss, but it may be that the plan could be revamped a little for the happy and successful operation of all things concerned.

I agree that we have had few contacts here lately and nothing would give me more pleasure than to make them more frequent.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
