Mr J C Allen

Dear Mr Allen:

Received your letter in regards to
bring our boy up. Sorry that
I have not wrote you before:-

His ~~head~~ seems to be getting
lot's better has not give him
any trouble for about 8 weeks
so of course we are in hopes
that it will get alright now
However if it does give him
trouble again I want to bring
him to you and get your
advise about it

I sure want to thank you
for the trouble I have put you
