

P.S. #2 — Since Mitt is
no longer taking Calisthenics
of any kind, and has considerable
time (out of class at 4 P.M.) -
he wants to know if you
can send his golf clubs — and
only if it's convenient.

He showed me your
letter regarding the money
loaned him with the very
solemn words "he is really
one swell guy." Do not
mention the matter, and I
as far as I'm concerned it is
dropped with only the hope
that a lesson was learned.
