

P.S. Thanks for the Rotary Booklet - The You-
elect did look vaguely familiar. Mitt sends
his best to
you.

determine George's worth. You
were most generous, and we
are grateful.

We have had a truly in-
teresting and beautiful time thus
far. Contrary to Mitt's beliefs I love
Cambridge, and even he has admitted
that he likes it much better than
before. His fellow officers and their
families are delightful. Some of
them have cars which afford
beautiful drives to historic Lexington
and Concord, also to Wellesley,
and Peter's old Alma Mater, Babson.
The tea-rooms are charming, and
our walks through Harvard Yard
and beside the Charles River are
even lovelier than anticipated.
And, of course, we have enjoyed
some good baseball. Saw the Braves
and Cardinals, Saturday. Must close
now - and thanks again. Sincerely,
Isabel
