Dear Doctor Allen:

We have an exceptional value in some Official Basketballs which we have been selling to universities and colleges from coast to coast. These balls were made up for Official Balls and so stamped. On the last inspection they were dropped out of the Official top grade due to the slight variation in color of the panels. This is not really noticeable except on very strict inspection and does not affect the serviceability or the quality of the ball. We sell them at \$5.50 each, and they are a wonderful value. If you would be interested we would be very glad to send you one or more for your inspection. They make splendid practice balls.

For Intramural Basketball we have some splendid values in cotton Basketball Shirts as low as 25¢ each.

This is good quality merchandise and splendid value at the price. We are always mighty glad to have your orders and to submit samples and prices on anything you may need. Your business will be very welcome.

Yours very truly,
