Dear Doctor Allen:

We recently sent you an official laceless Basketball on which we had a special price, to try out. We today received a letter from the factory advising that they have five of these balls which are perfect except that they are slightly soiled, on which we can make a price of \$4.95 each. They are official laceless balls of first quality and would make wonderful value for you for practice. If you are interested, we will be very glad indeed to have your order. We have to offer them subject to prior sale.

Yours very truly,
