

Topeka--10--28--37

Dear Coach:-

You are invited to attend a pre-view of a new basketball talking picture which will be shown at the Jayhawk hotel in Topeka on Sunday afternoon, November 7th, at 2 o'clock.

This is the most complete film on basketball ever produced and includes a demonstration of fundamentals by the famous Chuck Taylor, as well as demonstrations of various systems of offense and defense. Many of the leading coaches of the country helped in making the film and the players used are members of the great Phillips 66 team. Don't fail to be with us November 7th, if possible. You can't afford to miss it. We expect to show it later in other sections of the state.

Cordially yours,

E. A. Thomas.
