Urish Public Schools

J. F. Taylor, Superintendent
URICH, MISSOURI

Aug. 14, 1937.

Dr. F. C. Allen
Dept. Physical Ed., University
Lawrence, Kansas

Dear Sir:

Thursday I applied at Nortonville, Kansas, for a teaching position in high school, also, to coach basket ball.

I took my basket ball training in your classes at Warrensburg, and played in intramural (summer) games, with "Eph Markey & Co". J. W. Miller and I played forward on that team.

Supt. H. P. Stover, Nortonville, Kansas, would like a statement that I took courses in basket ball, and that I have had experience in coaching. If you could send a letter direct to Supt. Stover the first of the week, it would help very much to land the position.

As to experience, our Fayette team won first at Kirksville, also at Columbia for schools under 150 enrollment. My New Bloomfield team won Callaway Co. tournament at Fulton, and placed third in the Jefferson City tournament. Recently, my teams have placed in county tournaments in Sedalia, and Clinton.

The above is to indicate something of my work in coaching, and that I have had a measure of success. I thot you might not have noticed such items, so far over this way.

May I sincerely thank you for any assistance.

Mrs. Taylor joins me in sending best regards to all.

Sincerely yours,

J. F. Taylor
