Dr. Forrest C. Allen:
Head Basketball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Doc:

I saw Harry Lamprich the other day, and he tells me that he will more than likely enroll at Norman this Fall.

Whether he and Bob Patterson still have the same intention of going to school and living together, I don't know. Patterson has been away from Tulsa practically all summer attending tennis tournaments--no doubt you have been following him through the papers.

Harry said that you hadn't written him to encourage his entrance at Kansas this Fall. He is the type of boy who is a bit backward in regard to pushing himself, especially in an instant of this nature. Apparently, he does not care ~~for~~ for McDermott, but McDermott wants him.

I should like to see these two boys come to Kansas, because through them, there should be more to come later.

Hoping that there is still time to do something in regard to the situation, I am,

Very truly yours,

Buck Tombold
