

September 23, 1937.

Mr. Oswald Tower,
Editor, Basketball Rules,
Andover, Mass.

Dear Oz:

The basketball rules have not found their way out here in printed form, as yet. I am wondering if you have received your copy, or do you know when they expect to put them in the mail.

I trust that you had a very pleasant vacation this summer. My kindest regards to you and your family.

Sincerely yours,

FCA:AH

Director of Physical Education.
